Re: BID Renewal 2017/2018 Revised

Thank you for your interest in Urban Place Consulting Group and our consulting services. At your request we have developed the following proposal for early BID renewal consulting services. The budget defined in this proposal is based upon:

- Hollywood Media staff assuming responsibility for property owner communications, including managing both the petition and ballot drives.
- Holding renewal steering committee meetings.

Urban Place Consulting will be primarily responsible for the following areas:

- Attending/Facilitating Steering Committee Meetings
- Refining the BID budget for inclusion in the Management Plan
- Refining property databases for management plan and engineers report purposes
- Refining Assessment Methodology and developing assessment methodology options.
- Analyzing and making recommendations on District expansion.
- Creating a multi-year Management Plan and Engineer's Report
- Obtaining City Clerk approval of Management Plan and Engineer's Report.
- Testifying at Council committee meetings and Council meetings as necessary.

The total budget for the above services for the development of a management plan and engineer's report is \$57,262.55. The budget consists of \$50,755 in consultant labor, \$6000 in a subcontract for engineering fees, and \$507.55 for administrative expenses.

The proposed budget is further detailed in the attached labor matrix. The budget is also based on six steering committee meetings.

If this meets with your approval, we will forward a contract that reflects this proposal and defines the relationship between Urban Place Consulting Group and the Hollywood Media District BID. We look forward to working with you in the BID renewal process.

Sincerely,
